

2024 Sponsorship Opportunities

Pancreatic Cancer Canada

Survival Classic

Join us for the 2024 PCC Survival Classic. Proceeds from the tournament will help fund specialized patient and family support services and innovative research to raise the rate of pancreatic cancer survival.

By choosing to support the PCC Survival Classic through an individual/foursome registration or sponsorship, you will help those Canadians impacted by this terrible disease and support our efforts to improve survival rates.

Thank you for your consideration to support!

PANCREATIC CANCER

- Pancreatic cancer has the highest mortality rate of all major cancers.
- The survival rate for pancreatic cancer is 10%, which means that 90% of people diagnosed with pancreatic cancer will die.
- Pancreatic cancer is the third leading cause of cancer-related deaths. It is on track to become the second leading cause of cancer-related deaths by 2030.
- Despite its devastating survival rate, pancreatic cancer continues to be the most underfunded and overlooked form of cancer.

**NOW YOU KNOW THE FACTS,
LET'S CHANGE THE OUTCOME.**

PANCREATIC CANCER CANADA

Pancreatic cancer has taken too many lives, far too quickly. Pancreatic Cancer Canada is dedicated to fighting the world's toughest cancer. That means instead of feeling sorry, we're attacking the disease on all fronts.

Pancreatic Cancer Canada is a vibrant, progressive organization taking on the world's toughest cancer with the ultimate goal to save more lives. We are committed to raising the survival rate through investments in innovative research and increased awareness of the disease among the general public and healthcare professionals, while ensuring patients and their families have access to the specialized care and support they need at every stage.
